

ASV KITCHEN & BAKERY EQUIPMENTS

ABOUT US

Understanding the need in details to design and deliver sophisticated commercial kitchen for an ultimate experience of cooking in Hotels, Industrial and School - College Canteens, Cafeterias, Hospitals and sweet marts has been a core strength at ASV Kitchen Equipment.

Our simple ingredients of this journey have been technically skilled and experienced team, our deep concern for workmanship to deliver a sturdy and elegantly finished product.

Our success boils down to our intimate urge for better results and a keen eye for clean and hygienic kitchen range covering cooking – grinding - cutting and tandoor equipments as well as relevant kitchen furniture.

Vision

Our Vision, to be the most reliable and sought after equipment manufacturer for hotels and canteens for cooking process across India and select overseas markets.

Mission

Mission, to provide processing equipments to variety of hotels and canteens for the purpose of cooking, by virtue of our excellence in manufacturing, complemented with highly skilled human resource, most competitive pricing and on or before time delivery, every time.
